

Coordination of Agricultural Research in the Mediterranean Area

INTERNATIONAL CONFERENCE

ARIMNet2 ends, but our heritage serves the future

18-19 June 2019, INRA, 2 Place Pierre Viala, 34060 Montpellier

ARIMNet (2008-2013) & ARIMNet2 (2014-2017), ERA-NETs funded by the EU 7th Framework Programme and coordinated by INRA, supported the coordination of agricultural research in the Mediterranean area. ARIMNet2 ended with its final conference in October 2017, but the consortium remains active and supports the 36 ongoing projects (ARIMNet2 calls 2015, 2016, 2017).

This conference will be the opportunity to share projects' results, and to stimulate, through creative workshops and a round table, a reflection on the future of Mediterranean agricultural Research & Innovation.

This event is public & free but **registration is required by 31 May 2019: [REGISTRATION](#)**.
